Fitting instructions for Powakaddy Umbrella Holder

This Umbrella holder will fit any of the following Powakaddy electric trolleys:

- Freeway
- Classic
- Classic Legend
- Robokaddy

Fitting Instructions

1. Remove the lower two screws from the plastic "L" shape handle on your Powakaddy electric trolley.
2. Fit the umbrella mounting plate (A) to the umbrella holder using the shorter countersunk screw (B). If the mounting plate (A) is already in place when you receive your holder, please ensure that the countersunk screw (B) has been tightened.
3. Place the whole unit onto the handle and align the holes. Using the nuts and bolts provided (shorter one nearest the top of the handle) fix the mounting bracket to the handle.
